

Nebraska Attorney General presents

Extraordinary Acts of Service Awards

Attorney General Jon Bruning would like to recognize individuals across the State who perform extraordinary acts of service for the people of Nebraska.

Certificate of Valor

The Certificate of Valor shall be presented to officers of the law, firefighters, EMT's or other public safety servants for any display of bravery and valor in a time of uncertainty. The recognition will be awarded for any selfless act in which the individual acted heroically; perhaps by disregarding his/her own personal safety, in order to protect the life or well-being of another.

Main Criteria:

Act of valor must be identifiable in that a specific date, time and detailed description of events must be provided.

Supporting Criteria:

- The individual acted heroically in a time of uncertainty to protect the life or well-being of another.
- The individual disregarded his/her own personal safety in order to protect the life or well-being of another.
- The turn of events may have resulted in the successful apprehension of the perpetrator(s), if applicable.

To Apply:

- Fill out the attached nomination form and include any supporting documentation that shows how the nominee has met the main and supporting criteria for the *Certificate of Valor* award. Additional materials such as media clippings or letters of support are welcome. Submitted materials will not be returned.
